2016 CHRISTMAS EDITION

Dear Friends,

"I am the Light of the world, he who believes in me shall not walk in darkness but shall have the light of life."

One of the beautiful scenes at Christmas is driving around and admiring the lights. I enjoy very much the beautiful colors streaming on the trees, hanging on the front porches of houses and business showcases, lining out the

driveways and pathways. It makes the heart light. The lights remind me so much of The Light of the World. He delivers from darkness, directs our path and dispels the fear from our hearts. "Oh the wonder of it all, just to think that God loves me." You can have that Light and be the light too.

May that Light lighten your Christmas in such a way that it will be one never to be forgotten.

Give a gift towards rescuing a young person from darkness and hopelessness to a life of light, hope and sustainability.

Thank you very much for your love of Christ and PLEASE CONTINUE to pray and support us as you have done so diligently in the past.

A Merry Christmas and a blessed New Year to you and your family.

From all of us at MATE/FCC & 2EQUIP.
